

# ALYSSIA JOHNSON

## ABOUT ME

In 2015, I graduated from Salem State University and pursue a career at MIT Credit Union after graduation. While working full time I continue to pursue her first love and passion for acting. I attended The Lee Strasberg Theater and Film Institute in NYC and I am signed with Model Club Inc., which has given me great opportunities to be TV commercials such as Hannaford's Supermarket, Pegasystems, Aetna Insurance, Planet Fitness, Iron Mountain, CVS Health, and an appearance in Apple TV series "Defending Jacob" to name a few.
